

# Jack Jayet Wins Position As New A. S. B. President

## '54-'55 Officers Finally Elected

The fourth set of elections and runoffs held this year at Hartnell resulted yesterday in the election of six officers and the need for a re-election of two.

Results of the election were as follows: Jack Jayet became the new president for next year by defeating Jack Rowley, 137 to 90, with two writein votes for Rains and one for Hagerty. Arlene Olsen defeated Maxine Russo by a vote of 119 to 110 for the vice-presidency, with three writeins for Tomszak. Sue Crawford won the secretary's position with a vote of 219—opposed only by one writein for Collins and one for Wimir. Georgiana Grossi became the new commissioner of social activities by defeating three writein votes for Sauer, Griffin and Rust. Gwenn Stewart defeated Frances Jew, 153 to 73, to become sophomore representative, and Steve Jones won the post of commissioner of rallies and assemblies opposed only by one vote for Kenyon.

The result of the men's and women's representative election were thrown out by the election committee because of an error in the voting—only men are supposed to vote for the men's representative and the women for the women's representative, but the ballots used this time contained both names. Despite the fact that Annabelle Shirachi and George Bernasconi were running unopposed for their respective offices, the voting must be done over in the correct manner in order to be legal.

## Journalism Trip Is Cancelled

The Hartnell Panther Sentinel's field trip, which was to have been held yesterday, was cancelled due to the lack of funds in the Hartnell District's budget.

The Sentinel staff was to have gone to San Francisco to visit the Chronicle and the Examiner. In addition there were arrangements made to have lunch at the Press Club.

The Student Commission voted on May 10 to allot money for the trip from the Panther Sentinel budget, but the action was rescinded later when it was found to be against student government policy to use student funds to pay for what is considered a class trip.

## PROM BIDS ON SALE

Prom plans are still in full swing, with the bids on sale now. At only \$4.00, such a terrific evening seems almost a steal.

Bids may be bought in the main office, or from any of these salesmen: Doris Simon, Cloyse Little, Georgann Grossi, Sue Crawford, Esther Williams, Steve Knego, or Rick Oliver.

## Visitor Speaks To Students

Vladimir Strochenko, senior from Gilroy Union High School, recently presented a talk to the International Club. His subject was his varied experiences in Communist Russia and Nazi Germany.

He gave a very vivid description of the Allied bombings of Munich and Vienna, where he had stayed with his parents in a labor camp. The International Club was very pleased with his talk.

## CLUB NEWS

By SAMS

Several clubs held weekly meetings on Tuesday. Among them were the Flying Club and the International Club.

The Art Club will whoop it up at spring barbecue on May 20 in Sherwood Park. The sign-up sheet is posted on the main bulletin board and in Room 31. Shirley Sherman is collecting the dollar for the steak.

Canterbury Club members received Holy Communion on Wednesday morning, having breakfast at St. George's Mission in the Alisal afterwards. Annabeth Bird was in charge of signups.

The Alpha Gamma Sigma excursion for Wednesday the 19th was cancelled because of insufficient signups among club members.

## Engineers Club Elects Officers

Thursday, May 13, the newly-formed Engineers' Club met in Room 23, at 2:00, to ratify its constitution and to elect officers for the remainder of this year.

Officers elected were President Dick Daniels, Vice-President Dave Brazell, Secretary Angelo Chiurato, and Treasurer Richard Dante. The club advisor is Mr. Vincent Anselmo, physics instructor at Hartnell.

The club was organized this year despite the lateness of the date in order to get a constitution set up so that the club would be ready to go at the beginning of next year. Its purpose is to allow the engineering students of the college to work together in obtaining information about engineering subjects and to enable them to take field trips of educational interest.

## Hartnell Students Enter Politics

Four Hartnell College students were elevated to high positions of the Northern Monterey County Democratic Club at a recent meeting of the newly-organized club. Only four of the nearly 30 members of the club are students at Hartnell and all of these received recognition—which is a good pat on the back for Hartnell.

Hartnell students elected to office were Warren Church, president; Bryan Whitworth, vice-president; and Betty Whitworth, treasurer. At the same meeting the club also selected two writein candidates for the Monterey County Democratic Central Committee, one of which is a Hartnell student—Quinn Smith of Castroville. The first supervisorial district, from which the club is subscribing members, is authorized three such central committee members, and the third candidate which the club is supporting is Warren Church, Hartnell College student, who had previously filed nomination papers for the office.

## Harts Third in Golf

East Contra Costa won the Coast Conference golf crown in the 36-hole tourney held at Del Monte, Friday, May 14.

Hartnell surprised by taking the third-place spot behind Menlo. In addition Allen Chappel won low medalist honors at 140.

If some one were to pay you ten cents a word for every kind word you ever spoke about people, and collect five cents for every unkind word, would you be rich or poor?

## Alumni Sponsor Graduation Ball

The Graduation Ball will be held June 11 and will follow the graduation ceremonies. The dance will be from 10:30 to 1:30 to the strains of Dick Gularte's orchestra. This will be preceded by a reception in the college library.

The Hartnell College Alumni Association is sponsoring the dance and there will be a committee of students who will decorate for the affair. This will be the first ball since 1948.

Friends . . . graduates . . . alumni . . . the admission will be free. The dress will be semiformal. There will be laughter and glee, so plan to be there.

## Badminton Tilts End

The doubles badminton tournament, which has been going on for the past few weeks, was finally brought to a termination on May 13 when Pat Mertz and Jack Rowley annexed the title from Shirley Smiley and Jim Belcher in straight sets.

Anne Shirachi, who was the coordinator of the tourney, stated that anyone wanting to dispute the newly-crowned champs may do so through open challenge.

## Announcements

A memo from Mr. William J. McCallum, student body advisor, states that the last day for issuing purchase orders on approved requisitions for student body accounts will be on Friday, May 28. No additional purchase orders may be issued after that date for this school year.

Sophomores may still pick up their allotted eight graduation announcements from the office if they have not yet done so.

All students (and especially those who live out of town) are advised to leave in the administration office before leaving school this year a stamped and self-addressed envelope in which their grades may be mailed to them. If this is not done, the student will have to come get his grades after they are prepared—sometime in late June or early July.

Reports have Bob Scofield doing great at Fresno State. Scofield, who it was thought would never play another game of football, ran wild in the spring intra-squad game to earn the title of "outstanding back" for the contest. Scofield had been running third string prior to the game. Duke Snider, '52, is also doing well in the backfield.

## "Harvey" On Stage Tonight

Tickets are on sale in the main office for the College-Community Players' last production of the season. They play opened last night, starring college dramatists Mary Ann Baldwin, Ann Newkirk, Jim Maloney, and Gloria Rust.

"Harvey," the funniest comedy of them all, provides an evening of laughter that will long be remembered. Student-body-card holders need pay only 50 cents for admission.

The show closes on Saturday evening, May 22.

Curtain time for all performances is 8:15 p.m.

## Clubs Must File Constitutions

A recent bulletin informing all clubs that they must file with the administration office a copy of their club constitution before June 11, 1954, was sent to all club presidents and advisors.

The bulletin stated that all clubs must have some kind of constitution to turn in, no matter how simple, and they were instructed to include the date upon which the constitution was put into effect.

The reason for the listing of club constitutions with the administration office is so that the auditor's office will have some way of keeping in touch with the various clubs around the college.

## Alumni Memberships Offered at Cut-Rate

All students who will not be attending Hartnell next year are offered a half-price deal on alumni membership dues. The cost is \$1.00 instead of \$2.00 if you buy before June 11. This is a good way to keep in contact with most of your college chums so let's consider this offer. If any of you students are interested, please contact Miss Ada Bassi in the main office.

## VETS' VIEWS

By WHITWORTH

Well, boys, this is my last column for a long time. I don't mind saying that I am going to miss having to sweat out this article for each issue of The Panther Sentinel. I rather enjoyed all this. I will say, though, I wish I had gotten more response from you. But then, this is a new thing and Americans have never taken to anything fresh.

Some of you have helped me with collecting material and getting ideas, I thank you. I also wish to thank the boys that I have interviewed, they were most kind to let me use their stories to help make this column interesting.

Thank you all and goodbye. Your only female vet,  
ELIZABETH C. WHITWORTH

# Hartnell College Nine Drops State Quarterfinals Game To Vallejo

## Final Tribute For Graduates

As the end of the school year rolls around, Hartnell can look back on the many past sports records with pride. The football team enjoyed an undefeated season and stretched the string to 23 games, the basketball team compiled a 20-win 8-loss record, the track squad placed a strong second in the conference, and the Hart nine brought the league championship here for the second year in a row. The publicity and good will that these teams spread for Hartnell College could not be matched by any other medium.

Graduation is claiming many of the athletes that helped to establish these records. They have played their last games for Hartnell, and in appreciation of the time, sweat, and skill they freely donated to our school, we would like to extend our thanks to the following named students still in attendance that will graduate on June 11, 1954.

Sophomore grid coach Dick Voris graduated to the professional Los Angeles Rams after leading Hartnell through two seasons of 20 consecutive wins and a 20-20 tie with the Bacone Indians of Oklahoma in the 1952 Little Rose Bowl.

Richard Adams played right field for the Hart nine for two seasons and was named all-league this year.

Irvine Armstrong shot in the low 80's for the golf squad.

Morris Boutte was selected all-league first sacker for Jess Regli's nine. He also played forward on the basketball team.

Dave Brazell was on the baseball team.

Merle Clure ran the low hurdles for the track squad.

Reno Cornaggia transferred from Santa Clara and played the hot corner on the championship nine.

Chuck Dillard was the outstanding baseball player in the conference this year. He pitched and batted the Harts to the top of the league. Chuck also quarterbacked the Panthers to the Rose Bowl in 1952.

Dick Estrada played halfback on the Panther eleven.

Jack Forsyth played on the basketball team.

Troy George was a tennis man for two years with Coach Peavy.

Dick Herman was an all-league guard on the football team for two seasons, played outfield on the baseball team and also sparked the 1951-2 tennis teams.

Clarence Huira was one of Coach Blue's divot-diggers.

Jerry Jackstis was first string end for two seasons on the football team.

Ted Lang was a strong discus tosser for Coach Adams' crew.

Bob Larson was an all-conference center on the cage squad and the outstanding performer in the high jump, pole vault, and high hurdles.

Paul Malech played tackle on the football team.

Don Ridge was a reserve pitcher on the Hart nine.

Ray Shields caught for the hardballers for the past two seasons.

Dale Swire pole-vaulted and ran the 880 and mile; he also was on the tennis squad. Two years ago Dale was a halfback on the football team and an outfielder on the baseball squad.

Warren Tibbs was the number one man on the tennis team.

Claude Turpin ran the 880 for the track team.

George Weeldon played end on the football team.

Don Williams was a forward on the basketball team.

Herb Withers was a high-scoring forward on the Panther quintet. Herb played in 1950 also, before entering the service.

## Harts Grab 2 Places At West Coast Relays

Panther thinclads grabbed two places in the Open Junior Colleges division of the twenty-eighth annual running of the West Coast Relays at Fresno, Saturday, May 14.

The distance medley relay team of Ken Daugherty, Bill Mix, Ron Martin, and Sylvester Green breezed to a second place. Marvin Anderson copped a third spot in the discus event with a mighty heave of 141 feet 11 inches. Anderson was more or less expected to place after his fine performance in winning the Northern California J.C. discus throw the previous week. However, the relay team was just given an outside chance in the rough competition that presents itself at the nation's greatest relay races. The long practice sessions with Coach Ed Adams paid off for the quartet as they streaked behind College of Sequoia's winning time of 10:58.7. Daugherty began the race with a 51.5 quarter-mile, his best time recorded this season. Mix took the baton and paced himself nicely in the half-mile for a 2:04 mark, his best mark this year also. Ron Martin ran a fine 1,320 which was his specialty in high school as a lightweight rackster. Lanky Green finished the medley race with a nice effort in the mile, finishing not too far back on the heels of the Sequoia man.

Our 880 relay squad of Charlie Sartwell, Reggie Kenyon, Richard Avilla, and Daugherty was disqualified when Sartwell passed he baton out of the restricting zone. Rivals M.P.C. surprisingly finished third in this event.

Hartnell's big hope, Bob Larson, disappointed in all three of his events. Larson just didn't live up to past performances and expectations.

The trip was very entertaining and enjoyable as the Hart thinclads had the opportunities to view some of the nation's finest track and field athletes in action. Several of these men hold world Olympic records. Naturally it is always an education to watch these champions go through their paces.

## M.P.C. Wins Tourney

Monterey Peninsula College continued its dominance on the tennis courts as it walked off with the singles and doubles titles in the league tourney held here, May 14-15.

Cornford won the singles crown and teamed with Reinstedt to annex the doubles championship.

**TIBBS-WRIGHT IN FINALS**  
Hartnell's doubles team of Warren Tibbs and Don Wright gained the finals but were edged by the Lobo duo. Dick Sargenti and Dave Ingols got as far as the quarterfinals but had the misfortune of running into the same combination.

Wright played in the singles semifinals against Cornford and was eliminated. Tibbs suffered the same fate at Cornford's hands in the quarter round.

## Bases-Loaded Circuit Clout Ruins Reglmen In Eighth

Hartnell's conference baseball champs limped home on Tuesday evening, May 18, victims of a six-run eighth-inning rally that caused them to drop a 6-2 decision to the Vallejo nine.

Vallejo will now host the winner of the Big Seven - Central Valley sectional encounter this week end in the best of a three-game series.

It was a heartbreaking loss for the Panthers who led 2-0 until the blowup in the eighth and a much appreciated one for the Redskins and their capacity partisan crowd. This marked the second consecutive year that the

Golden Valley champs have ended Jess Regli's dreams of a state championship. Last season Yuba turned the dastardly trick by an equally close score, 7-6.

### DILLARD PITCHES WELL

Chuck Dillard pitched excellent ball for the Harts till the seventh frame when he weakened, and gave up a hit and two walks to fill the bases. Righthander Hal Kolstad came on in relief and got the third man out on a groundout to first sacker Morris Boutte. However, the fireballer didn't get off as easy the following inning. With two outs a hit and an error scored one Redskin tally and a wild pitch by Kolstad scored the second. Unnerved, Kolstad allowed another hit and two walks to fill the bags. In traditional story-book style, the Vallejo righthander powdered one over the leftfield fence, a good 340 feet away.

### HARTS START FAST

The Harts started the game off like they meant business; Don Halterman tripled as the first man up, two men later Dillard drove him in with a base rap. In the second inning, Dick Herman singled, was advanced to second by Don Locke, and Dick Adams doubled him in for the second Panther score. From then on Dillard and the Vallejo chucker settled down in a fine display of pitching until the fateful eighth inning.

The only compensation was the fact that Hartnell out-hit the Indians. Halterman paced the stickers with two raps, and Dick White, Hart shortstopper, contributed a scorching single in addition to the before-mentioned base hits of Adams, Dillard, and Herman.

### TEAM ROSTER

Members of this season's conference championship squad included the following: Kolstad, Mits Mori, Eddie Dix, Herman, White, Locks, George Bernasconi, Ray Shields, Reno Cornaggia, Charlie Sartwell, Don Ridge, Dillard, Boutte, Adams, Dave Brazell, Halterman, manager Bob Nuh, and scorekeeper Chuck Skow.

## Panther Thinclads In State J.C. Meet

Marv Anderson, Ron Martin, and Bob Larson will have their work cut out for them tomorrow when they meet California's best junior college cindersmen at Santa Monica at the State Meet.

These three athletes qualified two weeks ago at Santa Rosa in the northern California sectional and will step into deep competition from the Southland. Year after year that area produces the best in national track and field. Look for Compton, Santa Ana, Valley J.C. or Los Angeles City College to walk off with team laurels.

Anderson, whose mark of 143 feet in the discus took first at the northern Cal. meet, will have to work hard for a place against John Rogers of Chaffee and Dave Holden of Valley. Rogers set a new record of 162 feet 9 1/2 inches, last week, in the southern sectional.

Martin, who is as hard a worker as they come, will just be going along for the ride, as he will find himself in competition with Chuck Kirby of Mount San Antonio at 4:23.6 and Joe Leach of Valley at 4:24.5.

### LARSON'S OPPONENTS

Larson will face Lionel Daniel of Compton (14.4) and Floyd Jeter of East Los Angeles (14.6) in the high hurdles. Larson's best time this year was 15.6 at Monterey in the conference meet. Things don't look too bright in the high jump, either. Four men cleared 6 feet 4 inches in the southern meet and Jeter of E.L.A. topped 6 feet 6 3/4 inches to win the event. The pole vault would have been Larson's forte as 13 feet was the best offered in the event down south. However, Larson failed to qualify for some unknown reason; he has cleared 12 feet 11 inches.
